

Ingenico Tetra Desk 3500

Easy acceptance of all payment methods

With its large, high-resolution display and simple keyboard layout, the Ingenico Desk 3500 is easy to use. The contactless reader, which is located above the display, supports all contactless-capable cards as well as NFC-capable smartphones and smartwatches. The checkout area stays tidy thanks to the communication box, which is separated by a cable.

- ✓ Future-proof thanks to PCI PTS 4.x, TA 7.2 and DC POS 3.0 certifications
- ✓ With practical cable solution and central connection box
- ✓ High resolution display with simple keyboard layout
- ✓ Contactless payment with all cards, smartphones and smartwatches

Performance

With the powerful Cortex A5 processor and its Telium technology, the Desk 3500 offers the needed performance in all payment situations, ensuring a smooth experience.
