

## Ingenico Tetra Desk 5000

# Convenient terminal for your store

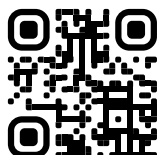

With its large, high-resolution touchscreen display and simple keyboard layout, the Ingenico Desk 5000 offers user-friendly handling. The contactless reader, which is placed above the display, supports all contactless-enabled cards as well as NFC-enabled smartphones and smartwatches. The checkout area remains tidy with the communication box set off by a cable.

- ✓ Future-proof thanks to PCI PTS 4.x, TA 7.2 and DC POS 3.0 certifications
- ✓ Perfectly suited for digital signature capture thanks to touch display
- ✓ Tidy checkout area thanks to central cable solution with remote communication box
- ✓ Contactless payment with all cards, smartphones and smartwatches

### Performance

With the powerful Cortex A5 processor and its Telium technology, the Desk 5000 offers the needed performance in all payment situations, ensuring a smooth experience.
