

Ingenico Tetra Move 3500

Mobile acceptance in a compact format

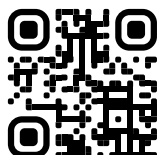

The Ingenico Move 3500 offers with its large high-resolution display as well as its simple keyboard layout a user-friendly design. The contactless reader, which is placed above the display, supports all contactless-enabled cards as well as NFC-enabled smartphones and smartwatches. Especially for mobile use, the Ingenico Move 3500 is the perfect choice thanks to its compact size and powerful battery.

- ✓ Future-proof thanks to PCI PTS 4.x, TA 7.2 and DC POS 3.0 certifications
- ✓ Flexible connection options thanks to the ability to connect to mobile and local communication networks
- ✓ Portable usage thanks to integrated high-performance printer & rechargeable battery
- ✓ Contactless payment with all cards, smartphones and smartwatches

Performance

With the powerful Cortex A5 processor and its Telium technology, the Move 3500 offers the needed performance in all payment situations, ensuring a smooth experience.
