

Ingenico Tetra Move 5000

Designed for mobile use

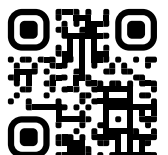

With its compact dimensions and powerful battery, the Move 5000 is ideal for mobile use. Thanks to the high-resolution touchscreen, signature capture using the stylus and user guidance are made simple. The touchscreen also simplifies the operation of bonus and loyalty systems, in addition to the sale of prepaid cards, coupons and more. The integrated high-performance battery enables long operating times and thus mobile usage.

- ✓ Future-proof thanks to PCI PTS 4.x, TA 7.2 and DC POS 3.0 certifications
- ✓ Optimally suited for digital signature capture thanks to touchscreen display
- ✓ Flexibly deployable for mobile and local use
- ✓ Contactless payment with all cards, smartphones and smartwatches
- ✓ Integrated high-performance battery enables long operating times

Performance

With the powerful Cortex A5 processor and its Telium technology, the Move 5000 offers the needed performance in all payment situations, ensuring a smooth experience.
