

## Verifone M400

# Innovative terminal for your store

The M400 is particularly outstanding for its 5-inch touchscreen display, which enables intuitive operation. Numerous additional applications can be used on the display thanks to the multimedia support. The tempered glass makes the M400 especially resistant and ensures a long lifetime. The powerful processor ensures a smooth transaction process in every payment situation.

- ✓ Large touchscreen display enables user-friendly handling
- ✓ Tempered glass ensures high breakage resistance
- ✓ Also available with WLAN
- ✓ Future-proof thanks to PCI PTS 4.x, TA 7.2 and DC POS 3.0 approvals
- ✓ Contactless payment with all cards, smartphones and smartwatches
